

Agenda of Solar Energy Development for the 21st Century

Time	Location	Objective
1 st of November	Baihua Balling Room	
8:30-10:00		Opening Remarks
10:00-12:00		Panel meeting 1. Yan Luguang: Renewable energy development status 2. Lu Weide and others: Solar thermal technologies review and projection 3. Zhao Yongfeng: New energy in the coming century 4. Biomass energy development in China
12:00-14:00		Lunch
14:00-16:30		Panel meeting continued: 5. Yin Lian: Wind power, new energy for the next century 6. Shi Pengfei: Wind power development status in the world 7. Li Qinglin: solar PV-chem technologies review 8. Solar PV in the next century
17:00	Changle Palace	Opening for exhibition
2 nd November: all day	Group meeting by technologies	
	Meeting room 1:	Solar thermal group one
	Meeting room 2:	Solar thermal group two
	Meeting room 3:	Solar thermal group three
	Meeting room 4:	Solar PV group one
	Meeting room 5:	Solar PV group two
	Meeting room 6:	Wind energy group
	Meeting room 7:	Biomass group
	Meeting room 8:	PV-chem technology

	Meeting room 9:	Hydrogen energy
3 rd November	Sino-USA renewable energy business workshop	
8:00-12:00	Furong ball room	<ol style="list-style-type: none"> 1. Charlie Dou: How to do business in China 2. Miaohong & Li Junfeng: GEF/World Bank Renewable energy investment project 3. Bill Wallace: GEF/UNDP renewable energy TA project 4. Zhu Junsheng: General ideas for renewable energy industrial development in China 5. Xu Honghua: Brightness program in China 6. Deng Yuanchang: Introduction of renewable energy net in China 7. Li Junfeng: How to do renewable energy business in China 8. Discussion
12:00-14:00		Lunch
14:00-17:00	Furong ball room	<ol style="list-style-type: none"> 1. USA companies introductions 2. Discussion for business operation
18:30	Defachang Restaurant	Dinner by DOE
4 th November	Departure for Study Tour in Xinjiang
